

PHA 500 Cable Sleeve

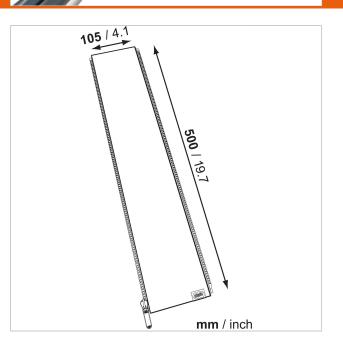

Article number (SKU) Colour 6308500 Black

Key Benefits

• Easy install

For the finishing touch combine a TURN mount with the Cable Sleeve. It will cleverly bundle and hide the cables running from the back of your TV to the wall.

The Cable sleeve easily zips around your cables. It can be reversed if you prefer a a silver/grey exterior, and/or partly folded if the standard length is too long. The Cable Sleeve was designed to be used with a Physix TURN support, but is also great for other situations where you want to bundle and hide cables. And you can use two Cable Sleeves in a row to hide longer cable lengths
